ABOUT THE WALK

OCCares is in its second year of supporting Orange County charitable organizations that meet its mission of promoting (1) **Unity** by working together towards a common goal with people from various religious, cultural and social backgrounds; (2) **Charity** by enhancing the work of existing non-profit organizations that are committed to helping those in need; and (3) **Compassion** by inspiring young people to care for others and to use their time, talents and gifts to make this world a better place.

For our 2014 fundraising event, OCCares has elected to support hunger projects in OC – namely Waste Not OC – through a walk at the Mile Square Park in Fountain Valley, CA.
